

Text2Give

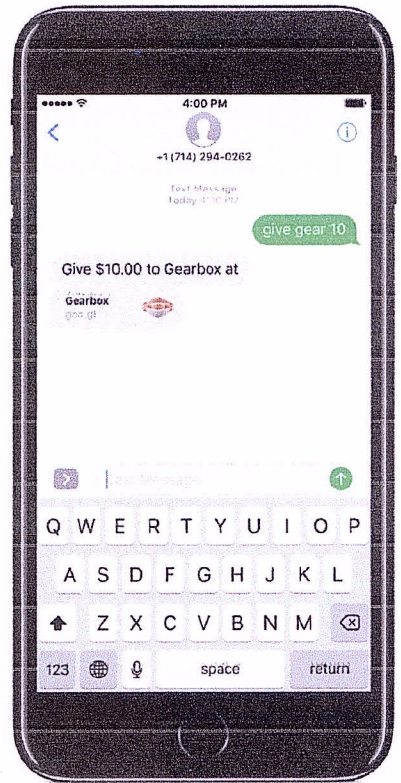

1

User texts "give HOR 10" to (951) 215-7799. "10" is the amount user would like to give.

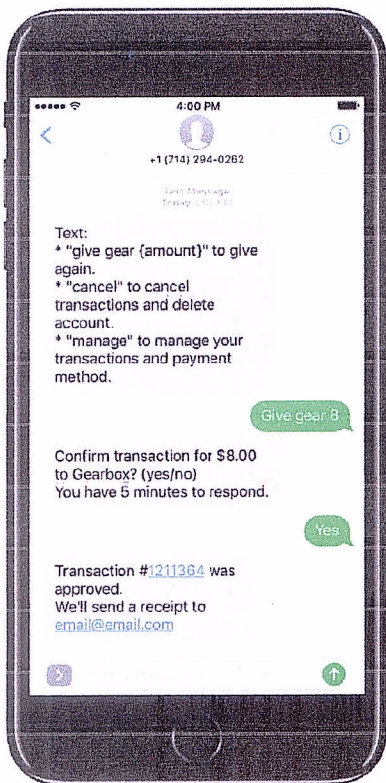

2

We reply with a link to give for the first time.

4

The next time user wants to give we'll just ask for confirmation before processing the transaction.

3

User fills out the form and finalizes transaction. (This only has to be done once.)
